Dear Fellow Chevrolet Enthusiast:

Thank you for your interest in the National Impala Association. The National Impala Association (NIA) was organized in 1980 and is an association of Chevrolet owners and enthusiasts. NIA features 13 years of Chevrolet's finest full-size cars built from 1958 thru 1970. Members of the NIA reside in each of the fifty United States, most provinces in Canada, and many countries throughout the world.

The National Impala Association is dedicated to the enjoyment and preservation of all 1958-1970 full-size Chevrolets, including BelAir, Biscayne, Delray, Impala, Sedan Delivery, El Camino, Caprice, and station wagons.

NIA members receive a bi-monthly magazine titled **Impala News** to keep them up-to-date on NIA events and to help them find the parts and information they need. The magazine features many of our members' classic Chevys, as well as product reviews, in-depth feature stories, tech advice, regional club news, interviews, classified ads and much more. **Impala News** is written and produced by Chevrolet enthusiasts, for Chevrolet enthusiasts. We encourage member participation!

Quality reproduction and used parts for 1958-1970 full-size Chevrolets are available through NIA's National Impala Parts, and NIA members receive a discount on most parts and association merchandise. In addition, one of the most valuable resources for NIA members is the ability to tap the expertise of our Technical Advisors and experienced staff. They are great resources who help aid members with their restoration questions and keep their classic Chevys rolling down the road.

We pride ourselves in being a family-oriented organization and strive to promote events that are enjoyable for your entire family. NIA hosts an Annual International Convention each summer where you can meet other '58-'70 owners and enthusiasts. There are also many regional NIA Chapters that meet regularly across the country, and we'd be pleased to put you in touch with a chapter in your area.

Whether you are an owner or an admirer of these wonderful cars, we invite you to become part of the National Impala Association. Simply mail us your completed membership application which you'll find on the reverse side of this letter or visit us on the web at www.NationalImpala.com. We look forward to serving you and helping "The Legend Continue!"
